November 8<sup>th</sup>, 2016

Good morning,

I'm writing to share some exciting news with you! As you may or may not be aware, our district APR was released publicly yesterday. Our district score was 134.5/140 or 96.1% of our points. This is the highest score in the history of the district!

In the coming weeks I will put together a presentation with a complete breakdown of this information. This will be presented to the board at the November board meeting (November 21<sup>st</sup>). The presentation will then be posted on the website if you are interested in a more detailed analysis.

Congratulations to you, our students, staff and community members for a job well started. There's always room to improve, but with your help, I'm sure we'll continue in a positive direction.

Sincerely,

J.W. Brandt
