Parents and Guardians,

I'm writing to make sure you are aware of our procedures for changing/cancelling school due to inclement weather. As in the past, we will use school reach to cancel school or to change to start/end time of the school day. I want to make sure you are aware that in addition to early release we may delay the start of school a few hours (10 a.m.) if it looks as if roads will be better by that time. I realize this is a change and will affect your morning routines.

The decision to cancel, delay or dismiss school early is never easy and will not be taken lightly. Please help us ensure the safety of all students by having a plan for your son/daughter(s) in place in case of inclement weather. We will do our part by notifying you of any changes as early as possible.

Sincerely,

J.W. Brandt
